WHERE ASOLA IS AND ITS FEATURES

Asola is in Lombardy, among Mantua, Brescia, Cremona and Parma, located in the north of the Oglio river and crossed by the Chiese river.

Asola is strategically positioned so that exchanges are facilitated.

It is characterized by a good network of activities and services, spread over the territory. At the same time Asola has the typical landscape of the Po-Plain.

ASOLA AND THE LOCAL LABOUR SYSTEM LLS

The Municipality of Asola leads the Local Labour System, based on 12 municipalities covering three different provinces.

The main sector of the LLS of Asola is “textile and clothing” with about 8.600 employees.

The Local Labour System of Asola has been recognized as a not complex Area of Industrial Crisis.

ASOLA AND THE INDUSTRIAL SOCK SECTOR

Asola takes part in the Industrial Sock Sector, nearly to be recognized as Complex Area of Industrial Crisis.

The Industrial Sock Sector is supported by services provided by the University of Brescia with the Sock Service Centre (SSC).
